[Super Salvage MM information request-Aug 15 2013 draft with all comments.doc](#)

Attached is the latest version of the Super Salvage Information Request letter. Comments from OECEJ, WPD, and ORC have been incorporated. Please read this version carefully, as there were at times different comments from multiple reviewers on the same language. I tried to capture the most appropriate narrative language, but please read it to make sure the language captures the questions fully and correctly. I have left a few bullets in for clarification of outstanding issues. Please review and provide any comment/recommendations to Jose Jimenez, as I will be at an inspection all of next week.
